

## Sustainable Energy Communities Programme – Form B

### Participating Energy Supplier Declaration

#### Contribution by Energy Supplier.

Please give details on the contribution provided/to be provided by the Participating Energy Supplier (PES). Please note that it is imperative that appropriate information is given to substantiate 'demonstrably material'.

#### 1a. Details of input by Energy Supplier

Project Reference			
Energy Supplier			
Description	Y/N	Cost*	Details
Financial Contribution			
Materials			
Project Management			
Installation Works			
Monitoring and Verification			
Energy Audits			
Project Advice/Investment Information			
Other (Describe)			
Total Cost of Value Add			

\*Select relevant contribution and provide cost, or equivalent estimated cost of the service.

It is acknowledged by SEAI that not all input can readily be converted to an estimated cost.

Please note it is not the intention of SEAI to rank projects according to the cost of value add per kWh saved.

**1b. Overview of Contribution by the Energy Supplier**

Please provide description of the contribution by the Energy Supplier which has enabled the project to proceed and why it is deemed to be **demonstrably material** to the project. Please note that unless Energy Suppliers clearly explain how they have met their requirements in accordance with the Energy Efficiency Directive and demonstrably material clause, no energy credits can be awarded.

**1c. Declaration of Energy Supplier**

- I hereby declare that the information provided in respect of this application is to the best of my knowledge correct. I am duly authorized to sign on behalf of the energy supplier organization(s).
- I agree to allow SEAI or its delegated agent(s) to verify any of the information contained herein.
- I confirm that we have been involved in this project since commencement and have been material to the achievement of the claimed savings.
- I confirm that the works completed in this project will be done to SEAI required standards.
- I acknowledge that if following a SEAI audit or inspection, works are not deemed to be to standard, SEAI may retract all or some credits relevant to this project from me.
